

SSE St Neots Town Wildcats Girls' Football Club Terms & Conditions / Commitment Statement

An SSE Wildcats Girls' Football Club aims to be a safe environment where girls can have fun, develop new skills and create foundations for a lifelong love of sport.

Every week, girls aged 5 – 11 will be given the opportunity to get involved in football through fun sessions that encourage friendships, character-building and learning (should we say fitness / healthy lifestyle rather than learning?).

There are 200 SSE Wildcats Girls' Football Clubs across the country, all helping us achieve the goal of doubling women and girls' football participation by 2020.

This guidance explains why we need to ask you for your consent for any photographs of your young person being used by The FA, SSE or partner organisation. After reading this, you should fill in the section below to let us know your wishes. We live in an age in which digital technology has vastly increased the use of photography, and there has been publicity surrounding concern about the risk of a young person being identified by a photograph in the local press or via social media.

The FA takes the view that the risk of a young person being identified by a stranger is small and that, providing reasonable steps are in place in terms of appropriateness of the photography and to protect the full name and contact details of the young person, photography will be permitted.

The FA is mindful of the fact for some families; there may be reasons why a young person's identification is a matter of particular anxiety. If you have special circumstances, either now or at any time in the future, that would affect or change your consent on this issue, it is your responsibility to advise us of any changes, please contact Tim Sergeant.

Only images of young person or young people who are suitably dressed will be used, to reduce the risk of such images being used inappropriately.
